(New York, NY – August 6, 2013) U.S. Environmental Protection Agency Regional Administrator Judith A. Enck will be joined tomorrow by Congressman Bill Pascrell, Jr., New Jersey Department of Environmental Protection Commissioner Bob Martin and other officials as she announces that work has begun to remove highly contaminated sediment from a half-mile stretch of the Passaic River that runs by Riverside County Park (North) in Lyndhurst, New Jersey. The work addresses high levels of contaminants present in the sediment that can have serious impacts on people's health.

What: **Passaic River** dredging announcement

Who: Judith A. Enck, EPA Regional Administrator

Congressman Bill Pascrell, Jr.,

NJ Department of Environmental Protection Commissioner

Bob Martin

Other dignitaries

When/Where:

Wednesday, August 7 at 11:00 am

Riverside County Park NORTH, Lyndhurst, NJ –
adjacent to the bocce ball court. Parking is available in
lot next to bocce ball court.

DIRECTIONS

Riverside County Park **NORTH**, Joseph Carucci Recreational Area, Lyndhurst, NJ

Parking entrance is at intersection of Riverside Avenue and Valleybrook Avenue (the nearest address for **GPS purposes** is 310 Riverside Avenue).

From North Jersey: Route 17 South to Route 3 West to Riverside Avenue exit. Left at the stop sign onto Riverside Avenue. Stay on Riverside Avenue approximately 0.5 mile. Park is on the right.

Or: Garden State Parkway South to Route 3 East to Riverside Avenue exit. Left at stop sign onto Riverside Avenue. Stay on Riverside Avenue approximately 0.5 mile. Park is on the right.

From South Jersey: Route 46 West or Route 80 West to Route 3 West. Take Riverside Avenue exit. Follow above.

NOTE: Closed footwear designed for outdoor activity is recommended.
